<Request Meeting(Exhibitor →Buyer) : Overview the Available Time of Buyer

The screenshot displays a web interface for requesting a meeting. The main window is titled "KÖFÖTI-TEST (KÖFÖTI-TEST)". At the top, it indicates the current timezone is (JST) Asia/Tokyo. Below this, there is a calendar for September 2021. The calendar shows dates from 1 to 30. Annotations point to the 1st and 2nd of September, labeling them as "Overseas time" and "Korea time" respectively. To the right of the calendar is a section titled "Available Times for 2021-09-01 <Buyer schedule>". This section is divided into AM and PM columns. The AM column lists times from 10:00 to 11:30, and the PM column lists times from 12:30 to 17:30. A red box highlights the 10:30 and 11:00 slots in the AM column, with an annotation "Sign of unavailable time" pointing to a red triangle icon next to the 10:30 slot. Below the calendar and time list, there is a section for "Your selected times" and "Offers". At the bottom, there is a "Send Request" button and a "Close" button.

Checking the available time of buyer, and then Send request

* Using "Change Timezone" can view both Oversea Time and Korea Time
